SINGLE COPY 10¢

Cross Burned On President's Lawn

F.B.I. investigation of a cross-burning incident is said to have occurred on Saturday night, January 16, on the lawn of the Hilton Smith residence at 303 North Toule. The charred remains of a cross are said to have been found by Douglas Wilcox, a member of the local police who was on duty at the time of the incident. F.B.I. officers were dispatched to the scene because of the possibility of a racial motive.

In an interview with Mrs. Smith on Tuesday morning,

Mrs. Smith said a young F.B.I. officer had called on her and was working on the case. Mrs. Smith said: "This cross burning was done by a group of teenagers. I have a son who goes to Bay Senior High School and for two years this group has made his life miserable." Mrs. Smith said recently her son attended a basketball game, parked his car on school grounds and when he returned he discovered that the car had been pretty well torn up. It was necessary to call a wrecker to tow the car to a garage where repairs were made to wiring, battery, etc. The repair job cost \$23, Mrs. Smith said.

Mrs. Smith stated they were natives of Mississippi, however she said her son had become friendly with a classmate who now attends the fully integrated school. Mrs. Smith said her son was attracted to the girl on a purely friendship basis, but the friendship met with disapproval of some of the students.

When asked if a report had been made to school authorities, Mrs. Smith said: "Yes, but they said there wasn't anything they could do about it." When asked if police had been notified about the car being maliciously damaged, Mrs. Smith said the police were notified but no arrests had been made. She said the police department told her they would station some officer to watch the school parking lot during ball game gatherings in the future. She said police were usually in the vicinity of the school during games but "they were inside watching the games."

"I don't know what to do," said Mrs. Smith. "I just live in daily fear that my son will get badly hurt."

Agencies Will Move to NASA

National Aeronautics and Space Administration, according to Jackson Balch, chief of the Federal Water Quality Association office now in Baton Rouge will relocate in Washington National and Atmospheric Administration soon move to NASA, reported. Enthusiastic about the possibilities of the facilities Balch said: "Mississippi through NASA can become the advanced technology center of the world."

Shoreline Developer Defends Subdivision

Shoreline Park developer, Brignac, together with his attorney, Germain, appeared before the Hancock County Board of Supervisors on Monday, appearing in support of an article in the January 21 issue of the Sea Coast Echo titled "Planning commission says to stop Shoreline Park." Brignac said in effect that the Shoreline development was singled out for adverse publicity. "I can assure you," stated Russell Elliott, chairman of the Board, "this has no control over what is in the papers." Elliott stated the board had no authority to file plat desirability improvements on Unit 6, addition 4

and "Existing" Unit 7, addition 8.

Shoreline Park was said to be one of the older subdivisions in Hancock County and came into existence before any protective subdivision regulations were adopted by the county. Regulations were not made retroactive, it was said. Objections were voiced by members of the Hancock County Planning Commission based on sale of lots where no sanitary sewerage facilities existed. Shoreline properties are said by health authorities to be in low-lying areas where septic tanks cause health hazards and add to the pollution of the river. Observations were made by Commissioners that regulations making mandatory connections to approved sewerage systems by newer subdivision developers in an effort to prevent pollution were abortive, and that money if older developments were exempt from sanitary regulations and allowed to foul the waters. Sanitary inspectors warn air and water pollution regulations on a state level are "getting tighter every day."

Members of the Board of Supervisors with their attorney have expressed willingness to meet with the Planning Commission and developers to discuss the problem, should any party involved so desire. Brignac said: "We believe we are running a legitimate business. We have sold 10,000 lots and only three asked for their money back. We gave them their money back immediately." Cox told the board they (the developers) wanted to have their position and added "You (the board of supervisors) are running the county."

Supervisor Elliott said: "We will be happy to meet with the commission (Hancock County Planning Commission) to see if any action is planned."

Brignac claims to spend \$30,000 a year in advertising. Price of lots in Shoreline are said to be around \$200 and \$250 and prices of lots have not been raised, it was said. Brignac said this subdivision helps the poor man to own a little weekend place or to get out of a crowded area at a price he can afford to pay. He said his advertising was good for the county because it brought one person out of twenty that was attracted to the coast because of his advertisement bought in Shoreline Park, the rest were said to have come from the county.

SUPERINTENDENT OF CATHOLIC SCHOOLS for the Notches-Jackson Diocese, Mgr. Paul Canonici (far right) paid a visit to St. Clare's School last week to view the newly remodeled school. Shown with Mgr. Canonici in the fourth grade classroom are left, Sister Ruth, O.P., principal of St. Clare's and Mrs. Eunice Casanova, center, fourth grade teacher. (Photo by Ed Fayant)

Supervisors Approve Revenue Debenture Bond Issuance

The Hancock County Board of Supervisors on Monday voted unanimously to approve a request made by the Port and Harbor Commission to issue \$926,400.00 of a revenue debenture bond to be repaid over a period of 35 years and at an interest rate not to exceed six and three quarters (6-3/4%). The first retirement payment to come due five years from the date of the debenture.

Several members of the Hancock County Port and Harbor Commission were present at the hearing and made explanations that there will be no tax increase. The board next took up the matter of interim financing which the commission can obtain from First Mississippi National Bank of Natchezburg, however, Russell Elliott, president of the Board, expressed a desire to work with local banks as much as they were financially able to participate and asked a committee to meet with the Port and Harbor Commission and the county attorney to coordinate with local banking officials to determine if local banks are interested in participating in the financing.

The debentures are required by the Economic Development Administration under the terms of a 4.6 million public works grant and loan program being undertaken under their auspices at the West Hancock County Harbor and Industrial Area.

In 1963 after enabling legislation was passed by the Mississippi Legislature, the Hancock County Board of Supervisors

sors created an agency known as the Hancock County Port and Harbor Commission. The objectives were to encourage and promote economic growth and development of the county through new industrial payrolls and added commerce; to enhance potential for industrial development by providing transportation facilities -- water and air -- and improvement of industrial land areas adjacent to such facilities. 2,000 acres of land are included in this project.

To finance the program, the county floated a bond issue for \$1,750,000 in 1966, levied a two-mill tax, and arranged to receive two-mills of the State ad valorem tax collected in the county. In addition the Commission made application for and secured all available Federal grants and loans to assist in carrying out their plans.

In a report prepared by the Mississippi Employment Security Commission dated August, 1970, the following summary was given: "The Director of the Hancock County Port and Harbor Commission in the year-end report submitted to the Board of Supervisors in January 1970 revealed that advance negotiations were underway for location of two multi-million dollar concerns at the West Hancock County Harbor and Industrial Area, and a small air-oriented industry wishing to locate at Gulf Central Airport. One concern to be known as Hancock Container Corporation, valued at \$5 million, will manufacture metal shipping containers turning out the

units at the rate of one every four minutes. It is expected to be in production in 1971. The other concern is a shipyard expected to cost more than nine million dollars. The corporation has secured initial contracts and will start to construct various types of crafts on a "continuous flow" basis. When fully operational these industries will employ more than 1,000 people and provide the much-needed shot in the arm to a Hurricane Camille shattered economy."

Charles Hill, director of the Port and Harbor Commission recently stated developments were progressing satisfactorily and he felt facilities would be available to receive industries within about six months.

RAYMOND VECCHIO

Public Invited To Drug Abuse Program

Special Agent Raymond R. Vecchio, Commander of the Office of Special Investigations, Detachment 0804 located on Keeler Air Force Base, Mississippi, will present a Drug Abuse Education Program to the public on Thursday, January 28, 1971, at 8:00 p.m.

This program is to be held in the Bay Junior High School, 202 Second Street, Bay St. Louis, and is sponsored by the Bay-Waveland Junior Auxiliary.

The program will consist of a slide presentation, a description of some of the drugs, problems of control of these drugs, the student movement, and the current trend to stem these problems. Questions will be requested from the audience.

Special Agent Vecchio has had extensive training and experience in the fields of law enforcement and drug abuse. He was given extensive formal investigative training at the Air Force Training School, Washington, D. C. He has attended the Federal Bureau of Narcotics and Dangerous Drug Training School, a number of Federal Training Drug Seminars, and is a member of the International Narcotic Enforcement Association.

Mr. Vecchio has generously volunteered his personal time to present this Drug Abuse Education Program. To quote Mr. Vecchio, "Our interest in this particular problem is based solely on humanitarian reforms and in hopes of removing the current drug abuse problems in society."

The public is invited and encouraged to attend.

Gulf Regional District Lacks Bay Council Support

Officials To Review Development Plan

On Friday at a joint City-County meeting called by Roy Baxter, president of the Hancock County Planning Commission, a preliminary report prepared by Ware, Lewis and Eaton architects, engineers and planners, and covering a neighborhood analysis as well as a report on major thoroughfares in Hancock County, Bay St. Louis and Waveland was discussed by Ray Eaton, a partner in the firm. Preparation of the report was financed in part through a comprehensive planning grant from the Department of Housing and Urban Development. Attending the meeting were Mayor Warren J. Carver, Commissioners William Frisbie, Andre Arceneaux, members of the Hancock County Planning Commission and members of the Gulf Regional Planning Commission.

Copies of the preliminary reports, bound in four separate volumes, were distributed and Eaton explained that similar material had been sent by mail to each member of the Hancock County Board of Supervisors. Officials have been asked to study the reports, make marginal recommendations, and return the documents to be included in a final report by the end of this month. Revised reports will be sent to Atlanta and to Washington and will constitute a permanent reference to be used when state and Federal funds are required.

Goals are to promote a balanced framework of development to accommodate the projected population of approximately 12,670 persons in the Bay St. Louis planning area, 7,791

persons in the Waveland planning area, 598 persons in Kiln, 1,131 in Lakeshore and 2,378 persons in Pearlington. The aim is one of upgrading deficient sections of the urban area by development of efficient and convenient public facilities and to protect the social, cultural and aesthetic values of the communities.

Eaton explained the urban renewal project in the central business districts would include rehabilitation as well as demolition of blighted buildings. Specific recommendations in Hancock County were made with the overall goal to improve existing streets as well as recommendations for additional thoroughfares in order to accommodate future growth and development.

Contract Given For I-10 Paving

The Mississippi Highway Department has awarded a contract to T.L. James, Inc. of Ruston, La., for paving of Interstate 10 between state Highway 607 and the Jordan River. The bids were opened Tuesday morning in Jackson but a decision was not announced until late Tuesday afternoon.

I-10 is paved from Interstate 59 in Louisiana to Highway 607 and is expected to be open to traffic from New Orleans by late February or early March. Bids received by the highway department are:

T.L. James, Inc., Ruston, La., \$3,926,425.51; Hot-Mix, Inc., Nashville, Tennessee, \$3,951,888.03; Con Plex Division of U.S.I. Inc., Jackson, \$3,981,068.84; W.I. Blain & Sons, Inc., Mount Olive, \$4,025,894.81; Lancaster Contractors Inc., Duck Hill, \$4,263,050.24; Gaines P. Wilson & Son, Inc., New Orleans, \$4,617,220.43; and Gulf Paving, Inc., Gulfport, \$4,882,488.34.

Town Increases Water Rates.

Assessments

The Waveland Town Board raised both the water rates and property assessments at its regular meeting Wednesday, January 20.

The water rates will now be \$2.95 (plus tax) for the first 5,000 gallons instead of \$2.42 (plus tax), however, the present charge of 30 cents for each additional 1,000 gallons remains the same. The increase is effective for the next billing date.

Assessments for property in Waveland will go up 10%. John Longo, Ward One Alderman, estimated that the change will mean an approximate increase of \$1.50 for the average home or property owner.

RAPP'S REOPENS

Rapp's Auto Repairs has reopened for business. The business, located on Ulman Ave. in Bay St. Louis, has been closed due to Howard Rapp's illness.

Bill Would Cut State Income Tax

The Finance Committee of the Mississippi Senate has reported favorably a bill which would cut the state income tax by \$11.9 million, according to Committee member Senator Martin T. Smith, who also serves as secretary to that committee. Senator Smith reported that the bill would raise the personal exemption for single persons from \$4,000 to \$4,500, for married persons and heads of households from \$6,000 to \$7,000 and would provide for the first time in the Mississippi income tax law a deduction of \$500 per dependent child.

In addition, the measure would increase the deduction for charitable purposes from 10 to 20 per cent, and would allow personal casualty losses resulting from Hurricane Camille. Senator Smith said that a vote on the bill by the full Senate is expected on Thursday of this week.

MARCH OF DIMES SCHOLARSHIPS have been awarded to (l. to r.) Peggy Heltzmann, daughter of Mr. and Mrs. Edward Heltzmann; Ann Peridant, daughter of Mrs. Rita Peridant; and Debbie Heltzmann, daughter of Mrs. Dorothy Heltzmann. The March of Dimes has given 19 awards to local boys and girls to assist with their careers in the medical field. Both Peggy and Debbie attend Pearl River Junior College. Urged Participate Cleanup

Residents in the Bay St. Louis area are urged to participate in the Spring Cleanup meeting, a meeting held Monday morning attended by the Bay St. Louis City Council and members of the Bay St. Louis Cleanup and Beautification Committee.

Although letters had been sent to one hundred business- men and merchants asking them to attend the meeting, only three were present: Robert Hamilton, vice-president of Hancock Bank; E. J. Marengo, general manager of Coastal Insurance Agency; and David Trotter, representing Trout Insurance Agency and Peoples Federal Savings and Loan Association. It was announced at the meeting that the Bay Junior High Garden Club would like to clean the entire block of Main St. from Second St. to the Beach as one of its contributions to the campaign. Owners or managers of businesses on Main Street will be asked to cooperate and participate in this project. Further plans for the campaign will be announced at a later date.

Citizens Invited

To Join Fire Unit

The Bay St. Louis Volunteer Fire Department has scheduled a re-organization meeting to be held in the Civil Defense Headquarters located in the Valena C. Jones School. The meeting is called for Friday, January 29 at 7:30 p.m. with Harold Saucier serving as temporary captain. The membership will elect the Captain of their choice at a time to be announced later, it was said. Both the East Hancock County and Waveland Volunteer Fire Departments have expressed interest in the formation of a City Volunteer Unit, it was stated.

Plans are for the City Unit to be equipped with an Engine, fire fighting equipment and to operate separately, but in co-operation with the Regular City Fire Department.

Commissioner Andre Arceceaux said: "It is hoped that many of our citizens will become members of this unit. All interested persons are invited to attend the Friday meeting, however, it is unable to attend the meeting they should contact either Harold Saucier or me to discuss membership or functioning of the department."

Miss McDonald Receives Degree

Some 950 students were awarded diplomas at Louisiana State University's winter commencement exercises here Jan. 23.

LSU System President John A. Hunter conferred the degrees which included 57 doctoral degrees.

Baton Rouge Campus Chancellor Cecil G. Taylor presided over the 10 a.m. ceremonies in the University's John M. Parker Agricultural Center.

The winter's exercises brought the number of degrees awarded by LSU's Baton Rouge campus to some 68,000 since its first commencement more than a century ago.

Area students receiving degrees are: Ellen McDonald of Bay St. Louis received a bachelor's degree from the College of Arts and Sciences.

Echoes

Recent guests of Mr. and Mrs. Albert Biehl Jr. and family were Ronnie Uhler of Chicago, Ill. and Christopher Hill of California.

Mike Gray, son of Mr. and Mrs. Owen Gray of Waveland celebrated his fifth birthday January 18.

Mrs. Dan M. Russell Jr. son Ronnie and Miss Dot Rich of Long Beach spent the weekend in Pensacola where they visited with Mrs. Russell's daughter Dale.

Mr. and Mrs. Edward La Courne and sons Edward and Craig of Metairie, La., were Sunday guests of her sister Miss Frances Faucetta.

Mr. and Mrs. John McDonald were in Baton Rouge Saturday to attend graduation of their daughter, Ellen, from L.S.U., where she received her Bachelor of Arts Degree with a major in Sociology.

Miss McDonald left Tuesday for a weeks vacation in Monterrey, Mexico.

Week-end guests of Mr. and Mrs. George Favre were their son-in-law and daughter Mr. and Mrs. Johnny Penton of Metairie, La., and their son Barry Favre of the University of Southern Mississippi, Hattiesburg.

Charles Kergosten of Hazelhurst, Miss., visited for several days last week with his sister Miss Clara Kergosten.

Recent guests of Mrs. J.P. Morere were her son and daughter-in-law Mr. and Mrs. Har- ily J. Morere, their daughter Betty Ann, Linda Ann and Donna Ann and son John P. Morere who have returned from Australia.

Mr. Morere, a designing engineer for Mobile Oil Company, has been transferred to the office in Pennington, N.J.

While here they were joined for a family reunion by Mrs. Morere's daughters Mrs. G.M. Lombing, Mr. Lambing and Mrs. Marcelle Sutherland and sons James, John, Ford and Timothy of Gulfport.

Mr. and Mrs. Henry Capdepon had as weekend guests their grandchildren Mrs. Robert Mc- Nalley and "Daddy" Bobby and Michael of Mississippi City.

Mr. and Mrs. Danilo Johnston and daughter Danice of New Orleans were weekend guests of her parents Mr. and Mrs. Harris Boudreaux and family.

Mr. and Mrs. Michael Coradin arrived last Tuesday from Seattle, Wash. and will visit for a while with his parents Mr. and Mrs. Herbert Coradin and family.

Weekend guests of Mr. and Mrs. Carl Banderet were her brother-in-law and sister Mr. and Mrs. Langston White of New Orleans and Mr. and Mrs. Banderet's son-in-law and daughter Mr. and Mrs. Ken Bolder and son Kenneth of Gulfport.

Mrs. Jeffrey Favre and Miss Udell Favre spent the weekend in Beaumont, Texas, where they visited with Mrs. Favre's daughter Libby who is attending school in that city.

Figure 1. The effect of the concentration of the *Agrobacterium* suspension on the transformation efficiency of *Agrobacterium* strains. The concentration of the *Agrobacterium* suspension was 10⁶ cells/ml (○), 10⁷ cells/ml (□), 10⁸ cells/ml (△), 10⁹ cells/ml (◇), and 10¹⁰ cells/ml (×). The error bars represent the standard deviation of three independent experiments.

Students Named To Honor Roll

Mid-term honor students at St. Clare's School, Waveland included:

First Grade - Straight A's, Tawna Breland, Karen Peterson and Michelle Moorman. Beta Roll - Terrence Asher, Fred Bontempo, Mike Bostick, Piccola Dietrich, Douglas Handchope, Steve Kidd, John Ryan and Mark Zittarkope.

Second grade - Straight A's Penny Bourgeois, Anna Schmitt, Vickie Young, Alpha Roll - Claude Garcia, John Klein, Wade Lodner, Rochelle Sisco.

Third Grade - Straight A's Lisa Asher, Alpha Roll - Karen Fayard, Laurie Gex and Beth Kilbert. Beta Roll - Kristy Blumnick and Cindy Klein.

Fourth Grade - Alpha Roll - Beth Garcia, Mike Maggio, Jeff Slade and Leslie Hovarty. Beta Roll - Gregory Bostick, Lidia Courtault, Kenneth Fuchik, Mark Hardee, Kelyn Kidd, Charlotte Ladner, Vince Lyons, Alice Lynch, Lisa Stoufflet, Kim Thomas-Hall and Catherine Toomey.

Fifth Grade - Beta Roll - Nick Dahn, Leslie Gex, Jeff Hansell, Anthony Sahaque and Eric Schott.

Sixth Grade - Straight A's, Carl Schott and Valerie Young. Beta - Steve Longo and Paul Rannik.

Seventh Grade - Beta Roll - Barbara Barkley, Joann Bourgeois and David Handshoe. Eighth Grade - Beta Roll - Chuck Weathersby.

Students Urged To Participate In Festival

The Gulf Coast artists invite school children to participate in the first annual Gulf Coast Arts Festival to be held March 28 - April 3. The purpose of the festival is to provide a showcase for all fields of creative talent, and to raise money for building a large civic auditorium on the Coast. The plan for participation and exhibition by the young people in the community in this festival is: 1) Each Kindergarten may submit one entry for the regional show. 2) Each Elementary school may submit two entries for the regional show.

3) Each Junior High may submit three entries for the regional show. 4) Each High School may submit three entries for the regional show. The regional show for Bay St. Louis - Waveland - Pass Christian will be held at Christ Episcopal School Complex, South Beach, Bay St. Louis, on March 20, registration March 19 from 3 - 5 P.M.

Library Projects Chairman Named

Mrs. Leland Nyby has been named Projects Chairman for the City-County Library replacing Mrs. Mary Ludwick who has returned to Pennsylvania, according to an announcement made by Mrs. G. Watson Prindiville, Library co-ordinator.

Mrs. Jos. W. (Jennie) Gex and Mrs. Nicholas Haas will co-chair the library sponsorship of National Library Week this spring. Mrs. Prindiville said and added: "We are very fortunate to have the services of Mrs. Gex. She has a degree in Library Science and will be remembered for her fine work on the staff of Christ Episcopal School."

When asked about library book circulation, Mrs. Prindiville said there were always two seasonal "dips" when circulation was lower than usual. She said fewer books are circulated during the Christmas-New Year season and during the late-August, early-September season with vacation ending and beginning of the school semester. "This is quite understandable," Mrs. Prindiville said.

The Book Mobile stop in Kiln on January 15 reported a record circulation of 62 books within two hours time, it was reported. 42 of these books were for adults, and 20 for children, said Mrs. Mildred Means the Book Mobile Librarian.

Those interested in the Spring Pilgrimage request a new volume, The Heritage of Early American Houses, text by John Drury. This book has 40 plates in full color, about 250 in black and white, and is an authoritative volume giving the history of thirty-five distinguished American houses built before 1850, included in the tome is the plantation home of a great southern leader, John C. Calhoun, and Mississippi's proud Gresham revival.

During the business session, conducted by Terri Monti, president, Barbara White was named reporter to replace Barbara McGuire who has moved to California.

Candy Stripper classes are aimed for March. The next meeting will be held at 10 a.m., February 27, in the conference room.

All members are asked to bring eight pounds of candy.

"Lochnivar". Books on gardening are also said to be in great demand at this time the Librarian said.

Wedding Announced

Mr. and Mrs. Bernard Piazza announce the wedding of their daughter Laura Ann to Mr. William W. Griffith Jr., son of Mr. W.W. Griffith, Sr. and the late Mrs. Griffith of Bay St. Louis.

Married December 12, they will reside in New Orleans where Mr. Griffith is a pilot for Trans World Airways.

MRS. AUGUST LADNER
Phone 467-7471

As well wishes go to Mrs. Lillian Ladner in Hancock General Hospital.

Sympathy goes out to Johnny and his family upon his death. He will be greatly missed by his relatives and his many friends.

A banquet was held at Ladd's Friendly Inn Saturday night in honor of our Soft Ball Team. The player was presented a trophy, novelty, or Federal. The player was presented a trophy, novelty, or Federal. The player was presented a trophy, novelty, or Federal.

Happy Birthday to grandson Terri Ladner, Jr. on January 26th and sons Jimmie Ladner, now has been born. The baby was born on January 26th and is now in the hospital.

Fern and Grover Bennette visited with their daughter and son-in-law Barbara and Jim on Sunday.

Cultview Hunting Club had a barbecue for the members and their families Sunday at Ladd's Friendly Inn. Menu was steak, baked beans and salad.

These are the names of the members of the club who have moved to California.

During the business session, conducted by Terri Monti, president, Barbara White was named reporter to replace Barbara McGuire who has moved to California.

IN MEMORIAM

In loving memory of George Owens died January 25, 1970. Gone is the face we loved so dear, Silent is the voice we loved to hear, Too far away for sight or speech, But not too far for thoughts to reach, Sweet to remember him who once was here, And who though absent is just as dear, It broke our hearts to lose you, But you did not go alone, For part of us went with you, The day God called you home, Not being able to say goodbye, Will always bring regrets, But the ones who loved you dearly, Are the ones who don't forget, Grant him Eternal rest, O Lord, Sadly missed by Mother, Brothers and Sisters.

IN MEMORIAM

In memory of Mrs. Cecile Ramond on her birthday Jan. 29, 1971.

A happy time we once enjoyed, How sweet the memory still, But death has left a loneliness, The world can never fill, Sadly missed by Husband, Sons, daughters and grandchildren.

IN MEMORIAM

In loving memory of our son and brother, ROBERT T. BANKS departed this life on January 31, 1970.

One lonely year has passed, Since you left us, We have suffered since we lost you, Life has never been the same, In our hearts, your memory lingers, Sweetly, tender, fond and true, There is not a day, Dear Robert, That we don't think of YOU, Sadly missed by FATHER, MOTHER, MR. AND MRS. O. D. BANKS, SISTERS, BROTHERS, AUNTS AND UNCLIES.

Legal notices

NOTICE TO BIDDERS

Notice is hereby given that the Board of Trustees of Hancock General Hospital will receive sealed bids to be filed with the administrator, Hancock General Hospital, at his office on or before 7:30 p.m., February 16, 1971, for the following: One (1) Nuclear Counting System capable of performing the following procedures: T3, T4, Latent Iron Binding Capacity, Schilling, Fat Cell Absorption, Red Cell Mass, Red Cell Survival, B 1 o o d Volume, Plasma volume and Dual Tagged Blood Volume procedures. Equipment to be IN-V-TRON, 2000 or equal.

Your attention is called to House Bill No. 55 of the Regular Legislative Session for 1970, which Act repealed the Mississippi Fair Trade Act. Attention is directed to the fact that House Bill No. 260, passed at the 1968 session of the Legislature requires all bidders doing so much business as \$5,000.00 in one (1) year with sub-division of the State to obtain a License Number on every bid, invoice or claim. Bidders doing less than \$5,000.00 in one (1) year with sub-division of the State to stamp this on each bid, invoice or claim.

The Board of Trustees reserves the right to reject any and all bids.

K. N. CARON, President
Board of Trustees,
1/28, 2/4, 3/11/71

ROCKY - HILL,
WHITE CYPRESSBy Jeannette Breux
Phone 255-7281

Belated happy birthday to Audrey Lador, and Pat Dobbs, who celebrated their birthdays on Friday, Jan. 15.

Mrs. Molvin (Yvonne) Lador, would like for every one to know she is calling Ayon. She covers Rocky Hill, White Cypress, Standard, Deddout, Necaise Crossing, and Crook Creek areas. Her phone number is 255-7168.

Mr. and Mrs. Eugene Necaise, announce the arrival of their second child, and first daughter, Maribela Loraine, was born on Jan. 4th in Lucius Olson Crosby Memorial Hospital in Picaunas. Maternal grand parents are Mr. and Mrs. Eugene Lador, and the paternal grand parents are Mr. and Mrs. Forrest Necaise. The mother, prior to her marriage was Lorraine Bennett.

Belated happy birthday to Pam Fletcher, whose birthday was on Jan. 25th.

Mr. and Mrs. Louis Breux, of Franklin, La. spent the weekend with us. They also saw their new grand son, Bryan John, for the first time.

Last Thursday night, Jan. 21, 1971, at Annunciation Gym, the Pee-Wee Hawtiettes, and Harris won both games. O'Leary score was 40-10, and the boy's score was 44-15.

All friends and relatives are invited to attend the wedding of Miss Judy Lador, and Mr. James Rawls. The ceremony will be solemnized on Feb. 6th at 2:00 p.m. A reception will follow in the Deddout Schol.

Miss Cuevas would like to thank all parents and friends for making the seed selling program a success.

Happy birthday to Oniel Cuevas, whose birthday was yesterday, Jan. 27, 1971.

The Hancock North Central 6th grade class presented Carl Lador, with an electric football set, to replace the one he lost when his home burned. Carl is out of the hospital now, and is doing good. He will return to school next week.

Get well wishes to Mr. Bob Hubbard, teacher at Hancock North Central. Mr. Hubbard was standing on a table in the gym, taking pictures of the cheerleaders, when he fell backwards, and hurt his arm. He is back at school teaching.

The Kiln, C.Y.O. will have a dance, this Saturday night, Jan. 30, 1971, in Annunciation gym. One must be 14 years old or in the 9th grade to be admitted. Music by the Thunderheads. Admission is \$1.50 per person.

Status of City Banded Indebtedness

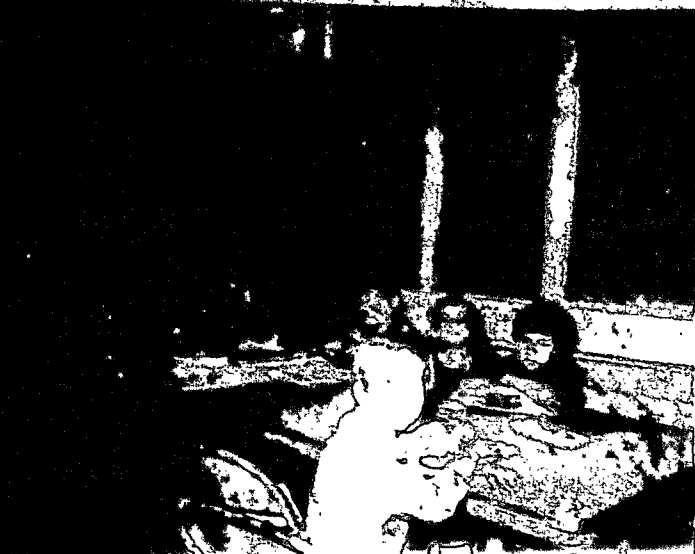

City Commissioner, Arthur Aronson, released the financial status of the banded indebtedness of the City of Bay St. Louis as of September 30, 1970. "The fiscal year for the city starts on October 1 and runs through September 30. We are in that period now which makes the interest schedule 1970-1971," Aronson said. He felt citizens should be kept informed on how public funds are spent and did possibly few know how interest rates ran. In summary, Aronson said the amount of interest to be paid during 1971-72 totaled \$224,233.00.

"The present mileage set up in the Budget to retire the Principal and interest on these bonds for the year 1970-71 is:

Municipal Bonds, 1 mill; School Bonds, 2.5 mills; Street Improvement, .45 mills."

FINANCIAL STATUS OF BAY ST. LOUIS As of September 30, 1970

MRS. EILEEN ENGLE presents a reading demonstration to members of Our Lady of the Gulf Parents Club Meeting. Assisting her in the demonstration are first grade students.

MR. LARRY LAFONTAINE AND HIS BUDDY MR. JOHNNIE LUNICH TAKE DELIVERY OF LARRY'S NEW CHEVY PICK UP FROM LAMAR-LANE CHEVROLET SALESMAN HERB BARDON.

Mr. Larry Lafontaine of Pass Christian wanted to buy a new pickup truck, so he told his friend Mr. Johnnie Lunich, and he took him to see Herb Bardon at Lamar-Lane Chevrolet in Bay St. Louis. Mr. Lunich had bought a car and a new pickup truck from Herb Bardon at Lamar-Lane Chevrolet and was pleased with the way he was treated, and he convinced Mr. Lafontaine that they were the best place to buy a new car or truck. Mr. Lafontaine is very glad that he took his friend's advice, and bought from Lamar-Lane Chevrolet and salesman Herb Bardon, as he had also received just like his friend, a very good deal from Herb Bardon. Every day, more and more folks are finding out about Lamar-Lane, all the wonderful deals they give on new cars and trucks, many of them visit Lamar-Lane Chevrolet, because they were told by friends about the good deals given by Lamar-Lane Chevrolet. Before you buy your next car or truck, visit Lamar-Lane Chevrolet and ask for salesman Herb Bardon, he could save you many dollars.

LAMAR-LANE CHEVROLET, INC.
(A Gerry Lane Enterprise), Adv. MR. LARRY LAFONTAINE
Pass Christian, Miss.

Vaccinations Given To Young People

Rubella vaccinations were given 621 young people in Hancock County as of January 13, according to a report from the Hancock County Health Department. The vaccination was given to these young people from high school through 18 years. The one vaccination is said to be a life-time preventive against the 3-day type measles known as Rubella, sometimes referred to as German measles. Reportedly this disease can cause malformation in infants whose mothers are infected during their gestation period.

Under the medical program and in cooperation with the Welfare Department 100 vaccinations were given young people with ages range from birth through 21 years, according to the health department chief. These vaccinations included eyes, ears, throat and a "general physical check-up", with approximately 20 of these examined referred to their physicians for treatment. "We don't treat people," explained Wayne Allison, "but every three months the State Public Health Department in Jackson brings equipment needed in heart and other check-ups and these who have made appointments through the Welfare Office are examined here."

Allison said the high incidence of worm infestation is prevalent among lower-grade school children in this county a few years ago to now under control. At one time up to 50 per cent of children in the lower grades of school had to be treated for worms of types such as pin-worm, hook-worm and oven tape worm, it was said. Now an estimated 20 per cent of children in this age bracket are treated, and the worm infestation is of the less serious pin worm variety.

"We've been pretty lucky in this county," Allison continued and said during the 18 months following Hurricane Camille there had been no outbreak of food-borne sicknesses. "Allison said within this county there are very few incidents of Venereal disease reported. "We have no problem with VD," Allison said and added "We have a clean, good group of young people in this county."

When asked about coverage connections within the City of Bay St. Louis Allison said "We are not getting the job done as fast as I would like to see it, but we are making some progress." Allison pointed out that the Bay-Waveland Youth Club is now in the process of connecting to the city sewage system, that many citizens have responded to his requests, but he added "There is still work to be done in this area."

WEDDING ANNIVERSARY

Mr. and Mrs. Henry Capdon are inviting their relatives and friends through this medium to join them in the celebration of their 50th wedding anniversary Saturday, February 6.

There will be a Mass at 3 p.m. at Our Lady of the Gulf Catholic Church followed by a reception in St. Joseph Academy Gymnasium.

Restaurant

Last Sunday night or early Monday morning, an undetermined amount of change was stolen from a cigarette machine located inside the Bay View Restaurant on South Beach Blvd. in Bay St. Louis.

According to Irvin Bette, owner of the restaurant, the burglar broke in through a back door and stole only the change in the machine. Nothing else was reported missing.

Honor Students Cited At O.L.G.

Honor students from Our Lady of the Gulf School for the second quarter were announced Friday by Sister Cynthia, C.S.J., principal.

Alpha honor roll for students who maintain a 4.0 or straight A average academically and an A or B in conduct was merited by Virginia McIlwain and Corinna Murphy, eighth grader; Elizabeth Green and Lori Sallinger, seventh grade; Betsy Benavente, Toni Franchet, Mary Green, Kathleen Lanza and Karen Trudell, sixth grade; Joan Dickman, Bill Karpman and Diane McDaniel, fifth grade; Mary Beth Benavente, Pamela Fovea, Suzi Karpman, Monica Porter and Fran Sallinger, fourth grade; Ann M. Brzezinski, Julie Poyez, Theresa Ryan, Danita Schiano and Leslie Struble, third; Elizabeth Argue, Colleen Barrett, Kathy Martinovich, Theresa Wilkins, second and Susan Robinson and Kelly Saracene, first grade.

Inductees

Mrs. Carl Lohmer, Executive Secretary Selective Service, Local Board 24, announced the following men will leave February 1 for induction in the U.S. Army:

Raymond A. Shipe, Francis C. Shipe, Vincent J. Covas, Edward E. Lewis, John D. Grant, Mr. Joseph M. Boland, Craig R. Wood and Michael L. Johnson, a tractor from Local Board 144, Philadelphia, Pa. Reelo L. McDuffy ordered this month in the U.S. Marine and Orville O. Porrell in the U.S. Naval Reserve, Mrs. Lohmer reported.

WAVELAND Roller Rink

Roller skate and enjoy a fun-filled evening. All sessions well supervised. Refreshments available. Lots of music and safety.

Court House Renovation Near Completion

Fred Wagner, architect, was complimented by the Hancock County Board of Supervisors on the renovation work nearing completion on the exterior of the Court House.

Under consideration is interior renovation of the second and third floors. Wagner said "A substantial amount of money would be necessary to do these things."

LATE SPORTS

Tonight's action in the Gulf Coast Conference basketball tournament in Harrison Central's gym at Lyman, just off Highway 49 about eight miles north of Gulfport, kicks off at 6 p.m. with a girls game, Bay High vs. Long Beach, followed at 7:15 with a rematch of Bay St. Louis' arch rivals Bay High and St. Stanislaus. The Rockschaws won the last battle by one point and claim the city championship.

In Tuesday night's action Stanislaus split a double-header at Vancleave the junior varsity winning 41-40 and the varsity losing 78-99. The juniors staged a third quarter rally that was good for 20 points. CM-

ton Narcisse was high scorer for the Rocks with 15 while Moby hit 11 for Vancleave.

Ted Schleuter hooped an amazing 36 points in the varsity's losing effort before fouling out. The Rocks lost five of their best men on fouls, Schleuter, Gerard Lymuel, Jimmy Oustalet, Micky Konteska and Steve Mutter. For Vancleave Chi Dees was high with 34 points.

Bay High's Tigers, although starting slowly, had a good night

defeating Poplarville 78-50 in the Tigerdome. Gary Blaize was the game's leading scorer with 23 points while Jesse Williams scored 16 for Poplarville. The Tigerets started extremely cold scoring only seven points in the first half. They rallied in the last quarter but it was too late and Poplarville's girls won 32-30. Schwaner Bell scoring 18 for Bay High and Dorothy Durham 28 for Poplarville.

JOIN THE MARCH OF DIMES

Gulfport, Hancock Split Header

The ambitious Hawks of Hancock North Central basketball coach Roland Lader were out to beat Gulfport's Commodores. No. 1 team in the state, last Tuesday night in the Hawks' gym, but 8-6 center Larry Jenkins' 44-point effort was too much.

The Hawks opened up a 25-11 first quarter lead but wound up with a 94-81 deficit. HNC is Class A school while Gulfport is Class AA and is leading the Big Eight Conference.

But the junior Hawks showed little respect for the Gulfport juniors and slapped down the junior Commodores 59-33 in the opening game. Dallas Clark scored 21 points to lead the Hawk junior varsity attack followed by Jamie Lader with 11 and Randall Dease with 10. For Gulfport's juniors, Charles Griffith and George Boggs each scored 11. Leading the varsity Hawks were Rickey Paige with 22, Neal Cuevas 20, C. J. Seuer 18 and Kenny Seale 11.

Quarter scores, varsity:
G 24 25 21 24 - 94
HNC 25 13 25 18 - 81

Assistant Fire Chief; Don Mc Intyre, Vice-president. First row standing: Richard Zitterkoepf, Bill Redo, Ronald Farrell, Reginald Fayard, James Kelly, John Perkins. Second row standing: R.D. Russell, Walter Turcotte, A.D. Dorn, Cliff Vogt and Donald Dorn. (Photo by Ed Fayard)

Advisor Sees Benefit Of Regional District

By Joe Pilet, Sea Coast Echo Staff Writer

Frank LaRue is not widely known in Hancock County, but as a special consultant to President Nixon he will help to mold the future of our region. Top drawer decisions to be made revolve around a proposed Gulf Regional District. LaRue is charged with the responsibility of reflecting the views of the people. His own views as an informed private citizen have been published. He is definitely of the opinion that to get maximum federal assistance on a local level for the purpose of further recovery from Hurricane Camille a Gulf Regional District would be desirable.

Immediately following Hurricane Camille the Governor's Emergency Council was set up for the purpose of providing planning and guidance in re-establishing the economy of the coastal area. The economy of the Gulf Coast is said to be sound, with a trade volume increase during 1970 of 14 percent over 1968. The proposed Gulf Regional District is to be introduced into bill form in the state legislature on Monday. Exhaustive studies have been made on both long and short range planning to improve the coastal area. LaRue observed planning within itself is useless unless something is done about it. From a broad view LaRue reasons what is good for one location is also good for another where improvement of existing conditions are concerned. In a broad sense, the Gulf Regional District would aim toward bringing the people on the coast closer together and helping them to realize one area has common needs.

Briefing sessions attended by mayors and other county and city officials have been held for the benefit of the six affected coastal counties. Some have passed resolutions endorsing

the proposed bill, others have expressed opposing views.

Commissioner William Frisbie, opposed to the legislation wrote a letter to the Honorable Ben H. Stone (Senator) in which he outlined seven sections within the proposed bill to which he objects. Summarizing his comments Commissioner Frisbie said: "It is my feeling and belief that this proposed legislation would only create an additional level of government and red tape for the local officials to deal with and does not do away with any existing agency, board or other governmental unit, and, therefore, necessarily is an additional burden and is without sufficient safeguard for the individual taxpayer." Continuing his observations the commissioner said: "It is my conclusion that the creation of the Gulf Regional District as an agency or instrumentality of the State of Mississippi is not necessary or required to establish a unified coordinating board within the framework of present government."

Frisbie Believes Cause For Complaint Legitimate

Annexed sections to the City of Bay St. Louis have some legitimate cause for complaint, admitted City Commissioner William Frisbie in an interview on Monday. Frisbie said the annexed sections do have advantages such as fire and police protection, street lights, garbage and trash pick ups and streets for the most part are in as good condition as before annexation.

Complaints have allegedly been expressed by a growing number of residents in annexed areas that while they are paying city taxes they are not getting city water nor are they provided a sanitary sewerage system.

Commissioner Frisbie said "assuming the average property is valued at \$3,000 for tax purposes, a city millage of 6.5 would add \$19.50 to the taxes." The commissioner pointed out the fire protection alone would more than compensate for this added city taxation. Fire insurance rates outside the city limits would increase policy premiums approximately 35%, Frisbie said.

When asked about the possibility of extending the sewerage system to include the annexed areas, Frisbie said he did not believe it could be done anytime in the near future. He

pointed out lack of available funds as well as the considerable distance between dwellings in some areas.

Board Endorses March of Dimes District Plan

With the approval of Board members, letters went out over Elliott's signature to President Nixon, Mississippi's senators and representatives and to Fred LaRue, special consultant to President Nixon.

The content of the letter voiced approval of the proposed Gulf Regional District. Elliott said he had attended a number of briefing sessions and to of the opinion the Gulf Regional District would be beneficial for Hancock County and would put the County in a better position to get Federal programs that could be tailored to fit local situations and needs. Hancock County has a small population, it was pointed out by Elliott, who believes more assistance would be provided through a coastal district than through an individual county.

Marango said: "On behalf of all the insurance agencies in Hancock County, I wish to express sincere thanks to the members of the board for re-adopting the building code, and I hope you will pursue the matter until it is finalized."

Marango Compliments Supervisors' Action

E. J. Marango of the Coastal Insurance Agency submitted to the Hancock County Board of Supervisors on Monday a letter from the Mississippi Insurance Underwriters Association stating acceptance of the recently adopted building code. After reading the letter aloud to the group, Russell Elliott, president of the Board said: "I interpret this to mean there will be no increase in insurance rates and the insuring companies find the specifications in our present code as acceptable as the rescinded G. E. C. code."

Marango said: "On behalf of all the insurance agencies in Hancock County, I wish to express sincere thanks to the members of the board for re-adopting the building code, and I hope you will pursue the matter until it is finalized."

March of Dimes.

(Cont. from Page 1-A.)

The Mothers' March against birth defects which started Sunday will continue through this week, Mrs. Judyry said.

Area captains are Mrs. D.W. North and Mrs. Carl Lacher for Bay St. Louis and Mrs. Charles Johnson, Mrs. Adrien Chagnard and Mrs. John Blinagar for Waveland.

In addition to asking for contributions during the Mothers' March the volunteers will make a rubella door count to obtain data on the number of children, ages 1 through 12 in each home and the number who have received rubella vaccine.

Pass Christian New Tourney Champs

A group of Pirates stole across the Bay last week and returned in the dark of night Saturday with their booty — both championship trophies, boys' and girls', from Bay High's 35th annual invitational basketball tournament.

Pass Christian's quietest, considered a dark horse before the event and rated by some handicappers as third choice, outlasted and outclassed long-time rivals, the Long Beach Bearcats, 59-54 in the finals Saturday night in the Tiger-dome. But they had to overcome a determined last-quarter Bearcat rally that was almost successful to do it.

Host Bay High got off to a

good start dumping Notre Dame of Biloxi 68-50 and Pearl River Central 57-37 but could get nowhere with the runner-ups, Long Beach, in the semi-finals and was eliminated 68-47.

Hancock North Central, winners of the best sportsmanship trophy, donated by Coast Electric Power Assn., eased through its first game against Vancleave 98-56 but hit the skids against the champs, Pass Christian, losing 61-78. St. Stanislaus was cold in the opening boys' game of the tournament and bowed out early as Poplarville popped the Rockets 69-54.

Defending champs Harrison Central, favored by many, defeated Ocean Springs 65-49 but

fell victim to hot Stone squad 50-51.

The champs, Pass Christian, drew a bye then shot down the Hawks 78-61 and cooled Stone 64-59.

The runner-up, Long Beach also drew a bye then blasted Poplarville 71-52 and Bay High 68-47.

Making the all-tournament team were Rickey Paige of Hancock North Central; Willie Thomas, Bay High; Bob Hogan, St. Stanislaus; Jay Lang and Wayne Loder, Pass Christian; Darryl Springella, Stone; Steve Walley and Al Walker, Long Beach; Wallace Smith, Pearl River

Central, and Paul Lee of Harrison Central.

Quarter scores, finals: LB 9 11 13 21 — 54 PC 10 15 15 19 — 59

Complete tournament scores, boys' division: Bay High 68, Notre Dame of Biloxi 50; Poplarville 69, St. Stanislaus 54; Hancock North Central 98, Vancleave 56; Harrison Central 65, Ocean Springs 49; Bay High 57, Pearl River Central 37; Long Beach 71, Poplarville 52; Pass Christian 78, Hancock North Central 61; Stone 58, Harrison Central 51; Long Beach 68, Bay High 47; Pass Christian 64, Stone 59; Pass Christian 59, Long Beach 54.

OFFENSE OR DEFENSE?

Boxing trainers will usually tell you that a good offense is the best defense but the opposite appears true in basketball. Take Ole Miss or William Carey College of Hattiesburg. Ole Miss has the nation's leading scorer, Johnny Neumann, 6-4 1/2 center, who averages more than 42 points-per-game but the Rebels rate way down the list in defense. Result, Ole Miss has no ranking either nationally or in the Southeastern Conference.

William Carey has sensational Mike Necaise of Bay St. Louis who with a 28.8-point average was ranked seventh in the latest NAIA national scoring list. Mike has since upped his average to 30.6 points and should appear among the top five scorers this week. He is also leading the team in rebounds with an average of 11.7 but Carey's record now stands at 6 wins and 8 losses.

And remember Pete Maravich? He made headlines throughout the nation for his scoring ability but LSU certainly didn't set the world on fire as a team — they didn't have the defense. So in boxing a good offense is the best defense but in basketball a good defense is the best offense.

SAINTS TO HAVE NEW LOOK EXCEPT . . .

The N.O. Saints' management fired coach Tom Fears, one of the best pro coaches in the country, and Billy Kilmer who was ranked among the top ten quarterbacks in the nation. Indications are that quarterback Ed Hargett and others are on the market.

So when the Saints take to the field this year there will be lots of changes except in the one place this writer thinks they need it most — management. You can't expect a coach or a quarterback to operate at his best with the boss sitting on the sidelines looking over his shoulder and I am surprised that Fears and Kilmer stuck it out as long as they did. New coach J. D. Roberts said he is committed to a youth movement which also indicates he is committed to run the team like the pros says not the way he, as a professional football coach, thinks it should be run.

Archie Manning will probably wind up with the Saints. He is a fine young collegiate quarterback and had the Saints kept Kilmer, the veteran could have made the youngster into a top flight pro in short order. But expecting a college quarterback to move right into the pros is way out, man, way out. There's as much difference as night and day. It's like an amateur boxer turning pro — ask anyone who tried it.

SPRING?

Would you believe St. Stanislaus football coach Buddy Pitato has already started Spring training? Well, he did — Monday and the lads are working out each afternoon in Stanislaus Stadium. Bay High coach J. E. Locano said his team will begin its Spring practice on Feb. 10.

Better think up another name for it fellers 'cause this just ain't Spring.

Sports Menu

Thursday, Friday and Saturday: Gulf Coast Conference Tournament in Harrison Central's gym at Lyman.

Tuesday: Moss Point at St. Stanislaus, Hancock North Central at Gulfport East and Pearl River Central at Bay High.

The District 8 Class A sub-district tournament was tentatively set for February 3-6 but because of reclassification of schools it is believed by officials that a sub-district tournament will not be necessary.

JAYCEE PARADE

The Bay St. Louis Jaycees will sponsor its second annual Mardi Gras parade, Tuesday, February 23 at 2 p.m. The theme will be "Stories From Childhood". Anyone interested in entering the parade should call Whitney Carvin (467-7294) or Raymond Thomas (467-7356).

ANDY NECAISE, Hancock North Central basketball star, receives best sportsmanship award donated by Coast Electric Power Assn., from Pat Murphy as city commissioner W.M. Noble looks on following Bay High's annual tournament Sunday. (Echo Staff Photo by Engelhorn.)

Pass Pippins Pack Punch

A pretty pack of Pass Pippins played up point after point proved powerful enough to the girls' part of Bay High's 35th annual invitational basketball tournament last night in the Tiger-dome.

In the finals Saturday night, the Pippins supplied the spark that enabled the Passes to win the championship by defeating favored Harrison Central's set at 34-34.

Pass scored 14 of Pass Pippins' 38 points sinking the long two-pointer on a jump shot from the corner with three seconds left in the game climaxing as a thrilling contest as seen in these parts.

Pass Christian took a 10-9 quarter lead over the defending champs but the Rebels fought back and earned a 19-19 halftime deadlock. At the end of the third period it was tied, 27-27 and three minutes left in the game it was 34-34 when Sher-

lock hit the hoop from the corner the winning margin — it was the same corner from which she defeated Bay High's Pippins with the same shot only a week earlier.

Central's Hawthett defeated Poplarville but were eliminated on a toughie by Stone, 42-41. Named to the girls' all-tournament team were Sherrie Necaise and Margaret Nibolt of Pass Christian; Terrie Robinson and Melody Mixon of Harrison Central; Cindy Griffin and Vickie Roberts, Stone; Schvander Bell and Susan Lechner, Bay High; Peggy Hoss, Hancock North Central; Dorothy Durham, Poplarville; Lynn Hammons, Long Beach, and Susan Faulk, Vancleave.

Complete tournament scores, girls' division: Hancock North Central 58, Poplarville 43; Pass Christian 59, Long Beach 30; Bay High 58, Pearl River Central 35; Harrison Central 50, Vancleave 30; Stone 42, HNC 41; Harrison 40, Bay High 29; Pass 35, Stone 31; Pass 38, Harrison 34.

Garden Club Meets In Restored Center

Bay-Waveland Garden Club recently met at the newly restored Garden Center for the first time since Camille, with George L. Seuzeneau, president, presiding.

Two new members accepted to the club were introduced. Augustus Elmer gave an informative talk on horticulture, correct mass planting bulbs at the base of shrubbery, rose bed, etc.

Mrs. Clark Wilson of Gulfport, guest speaker, discussed the garden center for the Gulf Coast area. Other than our pines, magnolias, Japanese white Birch, Holly and Citrus can be grown satisfactorily in the area.

Special thanks were extended to Mr. and Mrs. T.T. Robin for their gift to the club of an old plate of the 1961 year book, drawn by Mrs. Frank Embrey, and to Mrs. Reuben Gray chairman of the redecorating club committee. The committee included Mesdames Dan M. Russell, Clarence A. Evans, O. Duke, John E. Iloom, John C. Pritchett, A.E. Volght and Julian Lorenzen.

There were 53 members and five guests present.

Mrs. Walter T. Hava, hostess for the tea, was assisted by Mesdames Frank Embrey, Reuben F. Gray, Helmut C. Hornuff, Albert Kuehn and George Shuler and Mesdames Barbara Gray and Veronica Mohr, co-hostesses.

The tea table overlaid with a green and white lace cloth, was centered with an arrangement of camellias and greenery from the garden of Mrs. Hava flanked by silver candelabrum. Mrs. Hava presented each member and guest with a camellia corsage.

Mrs. Seuzeneau and Mrs. Gordon J. Gleim, first vice president, presided at the tea table.

Delegates To Attend Episcopal Council

Waldo H. Dearing, William Frisbie and J.R. Shadoin of St. James Episcopal Church, Bay St. Louis, have been named as official delegates to the 144th Diocesan Council to be held in Jackson January 29 - 31.

Serving as alternates are Mrs. Waldo H. Dearing, Mrs. William M. Frisbie and Mrs. J.R. Shadoin.

The Diocesan Council will this year be held at St. James Episcopal Church, Jackson, which is host for the annual statewide conference. The Rev. Sheldon Davis, pastor of St. James Church, is serving as the local committee for arrangements for the Council and Robert Thomsen, Chairman; Mrs. Charles Porter, co-chairman.

Delegates to the annual statewide business meeting of the church are chosen by the vestry. They are members of the vestry or leaders in church activities.

The delegates attending the conference will hear an address by the Right Rev. John M. Allen, Episcopal Bishop of the Diocese of Mississippi on the "State of the Church", reports from various committees and reports of study groups whose purpose was to develop mission programs, both at home and abroad, which will utilize the talents and money of every member of the Episcopal church in Mississippi.

In addition, new clergy, new readers and outstanding lay people will be recognized and honored; resolutions concerning Diocesan programs will be submitted and passed; and new members of the Diocese for the year 1971 will be elected. The Canon Fred J. Bush is currently serving as secretary of the Diocese with J. Herman Thomas as treasurer and the Rev. Thomas E. Tiller, Jr. as rector.

President Installed

Mrs. H. W. Duke was installed as president of Blue Jeans Garden Club at Monday's meeting held in the home of Mrs. William Richardson. Others installed were Mrs. Frank Klein Jr., vice president, Mrs. Stella Rhoads, secretary, and Mrs. John Salceby, treasurer.

Mrs. Duke named the following committee chairmen: Mrs. Richardson, program; Mesdames M. Schwartz, Frank Cor-

coran, Monroe Jones, telephone; Mrs. Klein, awards; J. C. Goodloe, library and A. M. Thomas, publicity.

Entries were judged and awards given to Mrs. Richardson in cultured division; Mrs. Klein, potted plant; Mrs. Rhoads, miniature and Mrs. Goodloe, horticulture.

A new member, Mrs. Monroe Jones, was welcomed. Mrs. Richardson read an article on planting and care of African violets. There were 14 members attending.

Two Attend Bal Masque

Dennis Arnold and his sister Phyllis attended the annual Bal Masque Saturday January 9, in the Municipal Auditorium in New Orleans.

Miso Arnold was presented with a moneybag by the king and Mr. Arnold entertained with vocal selections at the Auditorium and immediately following in the Grand Ball Room of the Roosevelt Hotel for the supper dance.

Mr. Arnold is presently under the vocal guidance of Barbara Pauks-Bernard of New Orleans.

Orleans. Dennis and Phyllis, who presently reside in New Orleans, are the son and daughter of Mrs. Carl Arnold.

Krewe of Nereids AND Krewe of Hancock Waveland, Miss.

Harry M. Erwin, President, New Orleans, Boy Scout Council No. 1, announces the purchase of the VEE BAR RANCH, 100 miles from New Orleans, Louisiana, for the purpose of establishing a Scout Reservation. The Vee Bar Ranch plus some additional land will contain a total of 1,520 acres, with a house and improvements. It is located on more than 80 miles of the Mississippi River, New Orleans to the Gulf of Mexico.

Generally speaking, the land is moderately high, rising from the stream to an elevation of 200 feet. The pine with some oak and cypress.

All of this is fine property for a Scout Reservation. The land is useful and there is lake potential.

There is an abundance of wildlife on the property. Usually it has been used for private hunting for more than 15 years. Deer, quail, etc., are abundant.

The Boy Scout Council is now

Boy Scouts Buy Property In County

Harry M. England, Council President, New Orleans Area Council, Boy Scouts of America, announced the purchase of the VEE BAR RANCH in Hancock County, Mississippi, near Nacaise, for a new multi-camp Scout Reservation.

The Vee Bar Ranch purchase plus some additional acreage to a total of 1,520 acres of land with a house and some other improvements. It is approximately 80 miles from downtown New Orleans to the property. Generally speaking, the land is moderately rolling, sloping from the stream (100 FT) to the top elevation of approximately 200 feet. The cover is mostly pine with some hardwood.

All of this is an essentially fine property for camp development. The land is nearly all useful and there is an excellent lake potential.

There is an abundance of wildlife on the property; actually it has been used as a private hunting preserve for the past 15 years. Deer, wild turkey, quail, etc. are plentiful. The Boy Scouts of America Engineering Service has made a

study of the property and highly recommended the purchase. They stated six camps equal to Camp Salmen could be built on the multi-camp reservation and that it should meet the Council camping needs through the year 2000.

President England stated that the Vee Bar Ranch property will not replace Camp Salmen, but, rather, will be an additional camp. (Camp Salmen is operating at maximum capacity at the present time.) The new property will be available to Scout troops for week-end camping immediately, with permit from the council office.

The New Orleans Area Council will conduct a capital development campaign in the spring of 1972 to secure the necessary money to pay for this property and build the facilities for the first camp on the multi-camp reservation. This campaign will also include funds for a new Scout Service Center in the New Orleans area. Sale was handled by Ford Realty Company, Piquette, Mississippi.

County Boy Scouts Will Use Facility

Hancock County Boy Scouts, who function through the New Orleans Area Council, are entitled to participate fully in activities on the Vee Bar Ranch recently acquired by the Council. The Vee Bar Ranch, located in Hancock County near Nacaise, plus additional acreage with a house and some other improvements has a total of 1,520 acres. Plans are to develop this tract into a multi-camp reservation large enough to meet the needs of the New Orleans Area Council through the year 2,000.

Harry M. England, Council President, who released news of the purchase of Vee Bar Ranch said: "The property is approximately 80 miles from downtown New Orleans and is bordered generally on the North by the Gulf of Mexico, South and East

by a paved country road." A main tributary stream crosses the property and plans are to develop this creek into an aquatic facility. England said: "The land is nearly all useful and there is an excellent lake potential." He added: "There is an abundance of wildlife on the property, actually it has been used as a private hunting preserve for the past 15 years. Deer, wild turkey, quail, etc. are plentiful."

President England believes the purchase of this property is a vital step in long range plans of the Council. The Vee Bar property will not replace Camp Salmen, which is now operating at maximum capacity, but will be an additional facility available to Scout Troops for week-end camping immediately with permit from the Council office. Describing the property England said: "The land is moderately rolling, sloping from the stream (100 feet) to the top elevation of approximately 200 feet. The cover is mostly pine with some hardwood and most of the area in the northern section has a good grass sod cover under the trees."

Students Learn Importance of Fire Prevention

"Smokey the Bear" was the main topic of conversation among the kindergarten students at Christ Episcopal Day School when Mr. Jim Craft, representative from the "Mississippi Forestry Commission" visited with the class. A film featuring "Smokey" and the importance of fire prevention made quite an impression on the students as "Miss Ann" had planned the morning to be quite an occasion.

Lisa Crooks was the "Hostess with the Mostess" bringing a "King Cake" for the children to enjoy. Noelle Crull, struck in her thumb and pulled out the "Bean" thus being crowned "Smokey" for the day.

To add to the entertainment coloring and story books, featuring "Smokey" and "Fire Prevention" were given to the children. After interviewing many of the children, it was evident they would go home and impress upon their "Mamas and Papis" the importance of "playing with fire."

It was also revealed the New Orleans Area Council will conduct a capital development campaign in the spring of 1972 to secure the necessary money to pay for this property and build the facilities for the first camp. The actual transfer of the property took place January 14 with Ford Realty of Piquette handling the transaction.

Mrs. C. R. Boyer who serves as secretary for the Hancock County United Fund agency said: "Our Hancock County Citizens District of Boy Scouts, which is supported by the Hancock County United Fund, is a part of the New Orleans Area Council. This camp, along with Camp Salmen in Slidell, will be enjoyed by Hancock County Boy Scouts."

More than 11,500 minors were found illegally employed in nonagricultural jobs during fiscal 1970, the Labor Department's Wage and Hour Division reported. A total of 1,472 children aged 5 to 15 were found illegally employed on farms.

KANTCHA KETCHUM

By L.S. (Doc) Elliott

The weather continued ideal for fishing over the past week. Both salt and fresh water were good. Speckles were caught mostly over in Bayou de la Poudre and Wolf River. The sloughs at Clermont Harbor and in the Pipe Line Canal. They were biting sporadically sometime in the morning and sometimes in the afternoons. They were not too big but of nice size. The shad rig and plug seemed to be the most effective bait.

Bass and perch were gotten on the fly rod with both salt-water baits and on popping lures.

A few die hard anglers trips to the marshes for the last go round for geese. The season was still open in Louisiana. Quite a few were killed over the weekend.

In Mississippi the snipe season and woodcock seasons close on Feb. 14, while quail can be hunted until Feb. 22nd and the game applies to rabbits. So there will still be some hunting going on.

Haven't heard of too many rabbits being killed since shining for them is out. Dogs are scarce and the average hunter can only go on weekends. Don't pay to keep dogs now-a-days.

Among those catching speckles were Elvie Yarbrough and Harlan Watkins who were getting their share down by Bayou Caddy.

Ernest Strong and L. Newson made some good catches of speckles during the week. Both are good fishermen and will get them if anyone else does. Both are old timers at the game and retired.

Pat Garcia tried most every bait he has and finally caught a nice mass of specks. Pat does a lot of fishing up Jourdan River.

Our lady angler, Mrs. Nell Osterman is an ardent and hard fisherman. She has been getting her share of specks in the sloughs at Bayou Caddy and the Pipe Line Canal. Been fishing a long time herself.

Paul J. Carrubba and sons Paul Jr. and Leonard of Long Beach caught some nice green trout out De Lisle way Saturday. They were catching them with live minnows. We were tearing 'em up said the boys.

Paul B. Lee said he is getting that tackle room finished before he starts fishing again. He really loves his fishing and goes on every occasion. Caught them too.

Octave Thomas of Gulfport has just retired from duty in the Army. He has fished in plenty countries and tells some interesting fishing stories. Octave has made a study of different kinds of fishing. He proved a few things while catching speckles the other day and showed us a few tricks which paid off. Come over often, fellow.

Roy Garner, Alden Mouffray and yours truly got their share of speckles Wednesday. They were caught mostly on the Shad Rig.

Doc Elliott got it in the sack the other day when someone borrowed or stole his Garcia 6000 reel and reel. It was have finished with it please

return it. Doc had already charged it to profit and loss. Didn't know there were fishermen of that type.

Joia Dedeaux was complaining of those skitters who have no regard for those fishing. They will be plenty more some this summer unless something is done about it.

Understand Kenneth McKary has been under the weather. A good overnight camping and fishing trip will cure what ails you, Ma.

Dusty Rhodes hunts whenever there is a season open and fishes the rest of the time. Right now he is hunting woodcock. He would like to purchase a real old time double barrel shotgun if anyone has one.

Merrill Rhodes also loves his fishing and hunting. He hunted doves and deer during the open seasons. Killed his share of doves around Leetown but claimed they got scarce at the end of the season.

John Israel says he will be pretty busy until the end of the month but will get back to fishing after that. He did some fishing with his sons while they were visiting him.

SPORTSMAN OF THE WEEK
James (Red) Green is a friend of Andy Anderson. He loves to fish and camp. Red comes over on his off time and enjoys any kind of fishing. Will be here when it warms up, you can bet.

Heard from Wop Glover the other day. He is about to purchase another home rather than fix up the one destroyed by the hurricane. Expects to spend more time here and do more fishing with his friends.

Saw it for the first time the other day, speckles being caught on small artificial worms used for bait.

Uncle Bud Sellar was catching speckles the past week on the Shad rig. He enjoys his fishing and goes quite often.

For those who like to catch

MRS. EFFIE DEDEAUX AND DAUGHTER OF PASS CHRISTIAN ACCEPT DELIVERY OF HER 1971 NOVA FROM LAMAR-LANE CHEVROLET SALESMAN CHARLES TOWNSEND IN BAY ST. LOUIS.

Mrs. Effie Dedeaux of Pass Christian was interested in buying herself a new car. Since many members of her family have gotten wonderful deals from the folks at Lamar-Lane Chevrolet in Bay St. Louis, she would try them before she bought a new car. At Lamar-Lane Mrs. Dedeaux was greeted by salesman Charles Townsend who showed her the large selection of new cars they have in stock. Mrs. Dedeaux saw a 1971 Chevy Nova she liked very much, and he worked up a Lamar-Lane deal on it that was very much to her liking and she drove it home. Once again the Dedeaux family got a good deal from Lamar-Lane Chevrolet, and that is one of the reasons so many people continue to return to Lamar-Lane Chevrolet whenever they need a new car or truck. If you plan on buying a new car, before you buy stop in at Lamar-Lane Chevrolet and talk to salesman Charles Townsend, he could save you many dollars. LAMAR-LANE CHEVROLET, INC. MRS. EFFIE DEDEAUX (A Gerry Lane Enterprise) Adv. Pass Christian, Miss.

District 8 Members To Meet

Joe McCullough, Superintendent, and Donald Caldwell, Asst. Superintendent of the Bay St. Louis Municipal Separate School System, will attend two meetings of District 8 officials in Stone High School at 7 p.m. Monday.

Included on the agenda of the Executive Commission of the District meeting at noon

is setting of dates and locations for district tournaments. At 7 p.m. coaches and school officials will meet to decide on rules of the tournaments and other business.

McCullough is a member of the executive council and Caldwell is vice-president of District 8.
